## Design your own Parade or Festival Flyer

Parade or festival flyers are made to attract an audience to the event. They are colorful and fun. But they also must include some important details.

A parade or festival flyer must let people know:

- What is the parade or festival?
- Who is hosting the parade or festival?
- When will it take place (date and time)
- Where will it take place?
- Is there a cost?

Sometime there are other details included such as: entertainment, food options, celebrities, whether it is an annual event, and more.

Make your own parade flyer. Be sure to include the details of what, when, where, who, and anything else fun you can think of. Below is a sample of a Halloween Parade.
