Vice President: Trish Scallan

	I joined the Campbell Museum Foundation Board in May 2024. I learned about the Campbell Historical Museum from a Board member and was intrigued to discover that they have a museum store. This opportunity resonated with me immediately. Throughout my career, I have crafted beautiful corporate restaurant spaces, researched trends, sourced innovative decor, and developed style guides. However, my most fulfilling experiences were always tied to company gift stores. Driven by a strong desire to be an active member of the community and give back, the Board is a perfect fit for me.

	I joined the Campbell Museum Foundation Board in February 2026. Born, raised and still living in Campbell! I've been with the Campbell Historical Museum and Ainsley House since 2007. During that time I have volunteered in basically every area possible (Greeter, Docent, Summer Concerts, History Happy Hour, Children's Special Events, City Wide Garage Sale, Museum Stores, Downtown Events, Garden Group, Maintenance, various committees and Volunteer Coordination). Wherever there was a need and I had time, I filled in. The museums are a wonderful organization to be a part of, and I think 19 years of volunteering is proof of how great everyone is to work with!

	I joined the Campbell Museum Foundation Board in 2026. Although I earned my B.S. in Finance, I discovered my true passion in education. For the past 27 years, I have served as both a general education and special education teacher in the Campbell Union School District. I have seen firsthand the value of the rich, hands-on educational experiences that the Campbell Museums provide for students in our community. I am excited to support this important work as a member of the board. I bring strong skills in communication, problem solving, data collection, planning and organization, along with patience and empathy.
